

The logo features the word "HEROES" in a large, bold, italicized, outlined font. A large, stylized lightning bolt strikes through the center of the word. Behind the lightning bolt and the text, there is a dark, cloudy sky with a large, glowing moon or planet. Below "HEROES", the word "by" is written in a small, simple font, followed by "Ten-Ten" in a stylized, gothic-like font with a diamond shape above the "i".
